

## REMARKS

In the above referenced office action, the Examiner issued a restriction requirement between the following sets of claims:

### DETAILED ACTION

The Examiner contends that the application contains claims directed to the following patentably distinct species:

Embodiment of figure 1A

Embodiment of figure 1 B

Embodiment of figure 1 C

Embodiment of figure 2A

Embodiment of figure 2B.

Applicant elects the Embodiment of **Figure 2A**.

Applicant provides the listing of the following claims that read on Fig. 2A: **Claims 1 – 3, 6, 7, 9 - 32**.

In a telephone call, Applicant conveyed to the Examiner the Applicant's concern that it is unusual to identify nearly all of the pending claims as reading on an elected species. However, in this instance, Applicant has been able to correlate each of the recitations of the independent claims as well as the recitations of the above-identified dependent claims in the passages describing the embodiment of Fig. 2A. If the Examiner believes that the listing of claims is inappropriate, Applicant requests the Examiner to contact the undersigned attorney for clarification or revision.

## CONCLUSION

Applicant believes that this Paper is responsive to the Examiner's stated Election/Restriction requirement. The Commissioner is authorized to charge the \$1,050 for a three-month extension of time to Deposit Account No. **13-0010 (054-14966-USCP)**. Additionally, the Commissioner is authorized to charge any other fees deemed necessary or credit any overpayment related to the filing of this Response to Deposit Account No. **13-0010 (054-14966-USCP)**.

Respectfully submitted,
